ABOUT THIS BOOK i

LIST OF FIGURES xxii

LIST OF TABLES xxvii

1 INTRODUCTION TO DIGITAL INDIA – OBJECTIVES AND VISION 1

1.1 What is Digital India 1

1.2 Timeline of Key Milestones in the Digital India Programme 2

1.3 Objectives of Digital India 3

1.4 Key Components of Digital India's Objectives 4

1.5 Vision Areas of Digital India 5

1.5.1 Digital Infrastructure as a Utility to Every Citizen 5

1.5.2 Governance and Services on Demand 6

1.5.3 Digital Empowerment of Citizens 6

1.6 Impact of Digital India 7

1.7 Challenges and the Way Forward 8

2 DR. B.R. AMBEDKAR'S IDEOLOGY AND DIGITAL EMPOWERMENT 9

2.1 Dr. B. R. Ambedkar's Ideology: A Blueprint for Social and Economic Justice . . 9

2.2 Linking Digital India with Dr. Ambedkar's Vision 11

2.3 ICT Tools for Inclusive Governance 13

2.4 Digital Literacy as a Tool for Liberation 15

2.4.1 Role of Women in Digital Empowerment 16

2.5 Challenges in Achieving Ambedkar's Digital Vision 17

2.6 Conclusion 19

3 PUBLIC INTERNET ACCESS PROGRAMME 21

3.1 Introduction 21

3.2 Common Services Centres (CSCs) 21

3.3 Key Features of Common Services Centres (CSCs) 22

3.3.1 Impact 23

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

3.4 Wi-Fi Hotspots and PM-WANI . . . 23
3.4.1 Key Projects . . . 24
3.4.2 Growth Indicators . . . 25
3.5 Public Internet Access and Financial Inclusion . . . 25
3.6 CSCs and e-Governance Delivery . . . 27
3.7 Case Study: Digital Empowerment in Birbhum, West Bengal . . . 27
3.7.1 Outcome . . . 28
3.8 Public Wi-Fi and Educational Access . . . 29
3.9 From Connectivity to Inclusion . . . 30
3.10 Monthly CSC Service Volumes . . . 31
3.11 Conclusion . . . 32

4 KEY COMPONENTS OF DIGITAL INDIA 33
4.1 Digital Infrastructure: Building the Foundation . . . 33
4.2 Major Elements of Digital Infrastructure . . . 34
4.3 Digital Services: Enabling Access to Governance . . . 35
4.4 Key Government Digital Platforms and Services . . . 36
4.4.1 Impact Statistics (as of 2024) . . . 38
4.5 Digital Literacy: Empowering the Last Mile . . . 38
4.5.1 Flagship Program: PMGDISHA (Pradhan Mantri Gramin Digital Saksharta Abhiyan) . . . 39
4.5.2 Training Impact and Outcomes (as of March 2024) . . . 39
4.6 Digital Inclusion: Bridging the Rural–Urban Divide . . . 39
4.7 Digital Governance: Towards Transparency and Accountability . . . 40
4.8 Digital Health and Telemedicine . . . 41
4.9 Environmental Sustainability through Digital Solutions . . . 42
4.10 Emerging Technologies in Public Services . . . 43
4.11 Role of Digital India in Employment Generation . . . 44
4.12 Monitoring, Evaluation, and Future Roadmap . . . 45
4.13 Conclusion: Towards Holistic Inclusion . . . 46

5 DR. B.R. AMBEDKAR'S VISION AND SOCIAL INCLUSION 47
5.1 Life of Dr. B.R. Ambedkar: A Crusader for Equality . . . 47

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

5.2 Definition and Importance of Social Inclusion 48
5.3 Barriers to Social Inclusion 48
5.3.1 Economic Barriers 49
5.3.2 Social Barriers 50
5.3.3 Digital Barriers 50
5.4 Role of Digital Technology in Promoting Ambedkar's Vision 50
5.4.1 Empowering the Marginalized 51
5.4.2 Promoting Equality and Transparency 52
5.4.3 Strengthening Voice and Representation 52
5.4.4 Enhancing Legal Awareness 53
5.5 Affirmative Action and Digital Inclusion 53
5.6 Case Studies and Ground-Level Impact 54
5.7 Monitoring, Evaluation, and Policy Evolution 56
5.8 Challenges and The Road Ahead 57
5.9 Conclusion: A Digital Path to Ambedkar's Dream 58

6 CASE STUDIES and PRACTICE ACTIVITIES – SOCIAL INCLUSION THROUGH DIGITAL INDIA 59
6.1 Case Study 1: Digital Empowerment through Common Service Centres (CSCs) . 59
6.2 Case Study 2: PMGDISHA – A Step Towards Digital Literacy 62
6.3 Activity 1: Digital Audit of Your Community 63
6.4 Activity 2: Ambedkar and Inclusion – Poster or Video Challenge 64
6.5 Activity 3: Mock Policy Lab – "Bridging the Digital Divide" 64
6.6 Reflection and Debrief 64
6.7 Conclusion: Participating in the Digital Republic 66

7 PUBLIC INTERNET ACCESS AND DIGITAL PLATFORMS 67
7.1 Introduction 67
7.2 Digital Governance Web Portals and Applications 67
7.2.1 DigiLocker 68
7.2.2 Unified Mobile Application for New-age Governance 68
7.2.3 BHIM UPI 69
7.2.4 MyGov Portal 69

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

7.2.5 Janaushadhi.gov.in . . . 70
7.2.6 Aarogya Setu . . . 70
7.3 WhatsApp for Public Services . . . 70
7.3.1 Use Cases . . . 71
7.3.2 Advantages . . . 72
7.4 E-Governance Platforms . . . 72
7.4.1 e-District . . . 73
7.4.2 e-Hospital . . . 73
7.4.3 e-NAM (National Agriculture Market) . . . 73
7.5 e-Kranti: The Backbone of e-Governance . . . 74
7.6 Case Studies: Ground-Level Impact . . . 75
7.6.1 Case Study 1: Mobile Seva (Andhra Pradesh) . . . 76
7.6.2 Case Study 2: JAM Trinity . . . 76
7.7 Challenges in Public Internet Access . . . 77
7.8 Recommendations for Improvement . . . 77
7.9 Conclusion . . . 79

8 HANDS ON TRAINING – DIGITAL GOVERNANCE IN ACTION 81
8.1 Introduction: Technology as a Tool of Liberation . . . 81
8.2 Objectives of the Module . . . 82
8.3 Hands-on Activities and Platform Training . . . 82
8.3.1 Task 1: Creating and Using DigiLocker . . . 82
8.3.2 Task 2: Navigating the UMANG App . . . 83
8.3.3 Task 3: BHIM UPI Digital Transactions . . . 86
8.3.4 Task 4: Accessing Health Services . . . 87
8.3.5 Task 7: CSC Simulation (Role Play) . . . 89
8.3.6 Task 8: Accessing Jan Aushadhi Information . . . 90
8.4 Additional Practice Stations . . . 91
8.5 Learning Outcomes . . . 92
8.6 Mini-Project for Certification . . . 92
8.7 Reflection and Feedback . . . 94
8.8 Conclusion: From Learners to Leaders . . . 96

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

9 BRIDGING FINANCIAL GAPS THROUGH DIGITAL EMPOWERMENT: A VISION INSPIRED BY DR. B.R. AMBEDKAR 97

9.1 Introduction to Digital Financial Inclusion 97

9.1.1 What is Digital Financial Inclusion? 98

9.1.2 Why It Matters 98

9.2 Key Digital Payment Systems 99

9.3 Jan Dhan Yojana: Banking for Every Indian 101

9.4 Impact on Rural and Underserved Communities 102

9.5 Case Study: Mori – India's First Cashless Village 103

9.6 Interactive Session and Practice Activity 105

9.6.1 Invite Resource Person 106

9.6.2 Mock Campaign for a Village 106

9.7 Practice Quiz 107

9.8 Reflection Prompts 108

9.9 Learning Outcomes 108

9.10 Conclusion: Bridging the Financial Divide 110

10E-GOVERNANCE FOR MEDICAL AND EDUCATIONAL INCLUSION 111

10.1 Introduction: E-Governance for Inclusive Development 111

10.2 Government to Citizen (G2C) Services 111

10.2.1 DigiLocker: A Secure Digital Document Vault 112

10.2.2 e-Hospital: Simplifying Healthcare through Digital Integration 114

10.3 Digital Health Initiatives 117

10.3.1 Ayushman Bharat Digital Mission (ABDM) 117

10.4 Digital Education Platforms 120

10.4.1 SWAYAM: Higher Education for Every Learner 121

10.4.2 DIKSHA: A Classroom in Every Pocket 121

10.5 Role of Common Service Centres (CSCs) in Inclusion 124

10.6 Case Study: Uddanam Region – Digital Healthcare Access 126

10.6.1 Background: A CKD Crisis in Uddanam 126

10.6.2 Socioeconomic and Cultural Dynamics 127

10.6.3 Digital Intervention: ABDM and e-Hospital Integration 127

10.6.4 CKD Screening and Awareness: A Digital Push 128

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

10.6.5 Digital-Enabled Outcomes and Lessons . . . 128
10.7 Integrating AI and IoT in Rural E-Governance . . . 133
10.8 Interactive Activity: Project Ideation . . . 135
10.9 Summary . . . 137
10.10 Learning Outcomes . . . 137
10.11 Connection to Ambedkar's Vision . . . 138
10.12 Challenges and Recommendations . . . 138
10.13 Class Reflection Prompts . . . 139

11EMPOWERING MARGINALISED COMMUNITIES THROUGH DIGITAL INDIA 141

11.1 Digital Inclusion as a Tool for Social Justice . . . 141
11.1.1 Why Digital Inclusion Matters . . . 141
11.1.2 Ambedkarite Frame for Digital India . . . 142
11.1.3 From Vision to Implementation . . . 142
11.2 Digital Literacy and Skill Development . . . 142
11.2.1 BharatNet Project: Digital Backbone of Rural India . . . 142
11.2.2 Skill Development Initiatives . . . 144
11.2.3 Aadhaar-Enabled Services . . . 145
11.2.4 Direct Benefit Transfer (DBT) . . . 147
11.2.5 UMANG: One App for 1600+ Government Services . . . 149
11.2.6 Awareness Programmes for Digital Literacy . . . 151
11.2.7 Common Service Centres (CSCs) . . . 152
11.2.8 Digital Governance Platforms . . . 153
11.2.9 Case Studies . . . 155
11.3 Self-Employment and Entrepreneurship in the Digital Age . . . 156
11.3.1 MSME Digital Support . . . 156
11.3.2 Start-up India in Rural Sectors . . . 158
11.3.3 Digital Content Creation for Empowerment . . . 160
11.3.4 E-Commerce and Web Portals . . . 161
11.3.5 Employment Opportunities . . . 163
11.4 Digital Financial Inclusion for Marginalised Groups . . . 164
11.4.1 Jan Dhan, Aadhaar, Mobile (JAM) Trinity . . . 164

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

11.4.2 UPI, Aadhaar Pay, and Micro-ATMs . . . 165
11.4.3 Microfinance and SHG Linkages . . . 166
11.5 Bridging the Digital Gender Divide . . . 167
11.5.1 Barriers for Women . . . 168
11.5.2 Women-Centric Training and Access . . . 168
11.5.3 Women-Led Enterprises . . . 168
11.6 Technology for Tribal Inclusion . . . 169
11.6.1 Connectivity in Difficult Terrains . . . 170
11.6.2 Local Language and Cultural Relevance . . . 170
11.6.3 Drones and Edge Devices . . . 171
11.7 Role of AI, IoT, and Emerging Technologies in Inclusion . . . 171
11.7.1 AI in Rural Health and Education . . . 172
11.7.2 IoT in Agriculture and Water . . . 173
11.7.3 Blockchain for Governance . . . 173
11.8 Challenges and Recommendations . . . 174
11.8.1 Challenges . . . 174
11.8.2 Recommendations . . . 175
11.9 Interactive Session and Workshop . . . 175
11.9.1 Simulation Task: Village Digital Empowerment Centre . . . 176
11.10 Learning Outcomes . . . 177
11.11 Connection to Ambedkar's Vision . . . 178
11.12 Conclusion . . . 180

12EMPOWERING WOMEN COMMUNITIES THROUGH DIGITAL INDIA 181
12.1 Introduction . . . 181
12.2 Pradhan Mantri Gramin Digital Saksharta Abhiyan (PMGDISHA) . . . 182
12.2.1 Objectives . . . 182
12.2.2 Key Features . . . 183
12.2.3 Case Study . . . 183
12.3 Digital Saarthak Training . . . 184
12.3.1 Objective . . . 184
12.4 Key Focus Areas . . . 185
12.4.1 Case Study in Maharashtra . . . 186

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

12.5 Digital Didi Program (Common Service Centres - CSCs) . . . 186
12.5.1 Key Features of the Digital Didi Program . . . 187
12.5.2 Objective . . . 188
12.5.3 Social Impact . . . 188
12.6 Vidya India – Public-Private Model for Girls' Education . . . 189
12.6.1 Key Features of Vidya India . . . 189
12.6.2 Impact on Girls' Education . . . 190
12.6.3 Case Study . . . 190
12.7 Digital Inclusion for Vulnerable Women Groups . . . 191
12.7.1 Target Groups and Digital Enablers . . . 191
12.8 SHGs Using WhatsApp Business . . . 192
12.9 YouTube as a Business Tool . . . 193
12.10 Wi-Fi Hotspot for Learning . . . 194
12.11 Hands-on Training and Interactive Sessions . . . 194
12.11.1 Activities . . . 195
12.11.2 Interactive Session Idea . . . 196
12.11.3 Workshop Task . . . 196

13DIGITAL INCLUSION OF VULNERABLE GROUPS 197
13.1 Introduction . . . 197
13.2 Initiatives Targeting Women . . . 197
13.2.1 Mahila E-Haat . . . 198
13.2.2 Stree Swabhiman . . . 200
13.3 Digital Empowerment of Persons with Disabilities (PwDs) . . . 201
13.3.1 Accessible India Campaign (Sugamya Bharat Abhiyan) . . . 202
13.3.2 Unique Disability ID (UDID) Portal . . . 203
13.4 Case Studies: Success Stories of Digital Inclusion . . . 205
13.4.1 e-Sakhi Program in Jharkhand . . . 205
13.4.2 Visually Impaired Youth in Kerala . . . 207
13.4.3 SHGs in Telangana . . . 208
13.4.4 PwDs in Maharashtra . . . 209
13.5 The Digital India Act 2023 – Access and Privacy . . . 210
13.6 Hands-on and Interactive Component . . . 211

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

13.6.1 Lab Activities / Demonstrations . . . 212
13.6.2 Discussion Points . . . 212
13.7 Learning Outcomes . . . 213
13.8 Visual Aids and Tables . . . 214
13.9 Challenges in Digital Inclusion for Vulnerable Groups . . . 215
13.10 Future Directions for Enhancing Digital Inclusion . . . 216
13.11 Conclusion . . . 216

14DIGITAL GOVERNANCE THROUGH DIGITAL INDIA 217
14.1 Enhanced Scope of Digital Governance . . . 217
14.1.1 Evolution of Digital Governance . . . 218
14.1.2 Enhancing Efficiency and Accountability . . . 219
14.1.3 Citizen Engagement and Transparency . . . 219
14.2 Factors Contributing to the Digital Divide . . . 220
14.2.1 Economic Barriers . . . 221
14.2.2 Social Barriers . . . 222
14.2.3 Geographical Barriers . . . 222
14.2.4 Cultural and Educational Gaps . . . 223
14.2.5 Technological Barriers . . . 223
14.3 Strategies to Bridge the Digital Divide . . . 224
14.3.1 Infrastructure Development . . . 224
14.3.2 Policy Interventions and Government Programs . . . 225
14.3.3 Affordable Access and Subsidized Models . . . 225
14.3.4 Digital Literacy and Awareness Campaigns . . . 226
14.3.5 Localized Content and Language Support . . . 226
14.3.6 Inclusive Design and Accessibility . . . 226
14.3.7 Public-Private Partnerships . . . 226
14.4 Role of Public and Private Sectors in Enhancing Digital Inclusion . . . 227
14.4.1 Public Sector Role . . . 227
14.4.2 Private Sector Role . . . 228
14.4.3 Collaborative Examples . . . 228
14.5 Algorithmic Bias in Digital Governance . . . 228
14.5.1 Definition of Algorithmic Bias . . . 229

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

14.5.2 Examples in Governance . . . 229
14.5.3 Impact of Algorithmic Bias . . . 231
14.5.4 Mitigation Measures . . . 232
14.6 Role of AI in Digital Governance . . . 232
14.6.1 Citizen Services Automation . . . 233
14.6.2 Predictive Governance . . . 234
14.6.3 Policy Analysis and Feedback Loops . . . 235
14.6.4 Monitoring and Evaluation . . . 236
14.6.5 Disaster Management and Health Surveillance . . . 237
14.7 Hands-on / Interactive Component . . . 238
14.7.1 Mapping the Digital Divide . . . 238
14.7.2 Simulating Chatbot Services . . . 238
14.7.3 Evaluating AI-Based Public Service Tools . . . 239
14.8 Learning Outcomes . . . 239

15E-LIBRARIES AND EDUCATIONAL CONTENT CREATION 241
15.1 Introduction . . . 241
15.2 Creating Digital Content for Social Inclusion . . . 241
15.2.1 The Philosophy of Open Access and Democratized Knowledge . . . 242
15.2.2 Empowerment of Marginalized Learners through Digital Content . . . 243
15.2.3 Multilingual, Inclusive, and Accessible Content . . . 244
15.3 Platforms for Educational Content Creation and Sharing . . . 246
15.3.1 YouTube for Education . . . 247
15.3.2 Podcasting / Audio Learning . . . 249
15.3.3 MOOCs and LMS Platforms . . . 250
15.3.4 E-Libraries . . . 251
15.4 Tools and Techniques: Video, Audio and Multimedia Content . . . 252
15.4.1 Video Recording Basics . . . 253
15.4.2 Audio Content Creation . . . 256
15.4.3 Screencast Tools . . . 256
15.4.4 Content Hosting and Publishing . . . 257
15.5 AI-Based Presentations and Emerging Content Tools . . . 258
15.5.1 AI Presentation Tools . . . 259

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

15.5.2 Voice-to-Text and Text-to-Voice . . . 259
15.5.3 AI Slide Generators . . . 260
15.5.4 AI for Accessibility . . . 260
15.6 Presentation Styles and Knowledge Dissemination Strategies . . . 261
15.6.1 Effective Presentation Methods . . . 262
15.6.2 Strategies for Online Knowledge Dissemination . . . 262
15.6.3 Inclusive Dissemination . . . 263
15.7 Hands-On Session . . . 264
15.8 Learning Outcomes . . . 264
15.9 Conclusion . . . 264

16THREATS AND OPPORTUNITIES OF DIGITALISATION 265
16.1 Introduction to Cyber Security . . . 265
16.1.1 The Context of Digital India and Cybersecurity . . . 265
16.1.2 Scope of Cybersecurity in Modern India . . . 266
16.2 Understanding Cybercrime . . . 266
16.2.1 Definition and Characteristics . . . 266
16.2.2 Types of Cybercrime . . . 266
16.2.3 Real-World Statistics and Incidents . . . 270
16.3 Measures to Handle Cybercrime . . . 271
16.3.1 Preventive Actions for Individuals . . . 271
16.3.2 Digital Measures for Secure Transactions . . . 272
16.3.3 Cyber Hygiene Practices . . . 272
16.4 Institutional Mechanisms to Combat Cybercrime . . . 273
16.4.1 Law Enforcement and Legal Frameworks . . . 273
16.4.2 Filing a Complaint . . . 274
16.4.3 Convergence of Police, Judiciary, and Forensics . . . 275
16.5 Cyber Etiquette and Responsible Digital Citizenship . . . 276
16.5.1 Cyber Etiquette Essentials . . . 276
16.5.2 Digital Literacy and Awareness . . . 277
16.6 Hands-On and Interactive Components . . . 277
16.6.1 Simulation Activities . . . 278
16.6.2 Device Security Audits . . . 278

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

16.6.3 Navigating the Cybercrime Portal . . . 279
16.7 Learning Outcomes . . . 279
16.7.1 Knowledge Outcomes . . . 280
16.7.2 Skill Outcomes . . . 280
16.8 Opportunities of Digitalisation Despite Threats . . . 280
16.8.1 Economic and Social Benefits . . . 281
16.8.2 India's Global Role in Cybersecurity . . . 282
16.9 Conclusion . . . 284

17THE FUTURE OF DIGITAL INDIA 285
17.1 Introduction . . . 285
17.2 Advances in Direct Benefit Transfer (DBT) . . . 286
17.2.1 Next-Gen DBT Technologies . . . 286
17.2.2 DBT 2.0: Expanding Horizons . . . 288
17.2.3 Global Best Practices . . . 290
17.3 Greenhouse Digitalisation and Climate-Tech Integration . . . 290
17.3.1 Role of Digital Tech in Environmental Governance . . . 291
17.3.2 Digital Inclusion in Climate Action . . . 293
17.3.3 Waste and Energy Management . . . 294
17.4 Transparency and Legal Governance through Digital Means . . . 295
17.4.1 Digital Platforms Enhancing Accountability . . . 295
17.4.2 Legal Safeguards and e-Governance Acts . . . 297
17.5 Strengthening Security and Privacy . . . 298
17.5.1 Next-Level Cybersecurity Measures . . . 298
17.5.2 Digital Sovereignty . . . 300
17.6 Realizing "One Nation" through Digitalisation . . . 301
17.6.1 Unified National Digital Infrastructure . . . 302
17.6.2 Inter-State Service Integration . . . 304
17.7 Public Engagement in Governance through Digitalisation . . . 304
17.7.1 Citizen Portals . . . 305
17.7.2 Digital Tools for Social Audits and Surveys . . . 306
17.7.3 AI and Big Data for Public Policy . . . 307
17.8 Vision 2047: India@100 – Digital Empowerment for All . . . 307

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

17.8.1 Digital Swaraj 308
17.8.2 Universal Digital Literacy 309
17.8.3 Technology for Inclusive Growth 309
17.9 Learning Outcomes 310

18DIGITALISATION IN SOCIAL SCIENCE RESEARCH, TOOLS, AND E-LIBRARY 311
18.1 Introduction 311
18.2 Foundations of Research Methodology in the Digital Era 312
18.2.1 Transition from Traditional to Digital Research 312
18.2.2 Ethical Considerations in Digital Data Collection 314
18.3 Qualitative and Quantitative Research Tools 316
18.3.1 Digital Qualitative Tools 317
18.3.2 Quantitative Tools 318
18.4 Survey and Sampling Methods 318
18.4.1 Designing Digital Surveys 319
18.4.2 Sampling Techniques 321
18.5 Statistical Methods and Analysis Using AI Tools 321
18.5.1 Descriptive and Inferential Statistics 322
18.5.2 AI in Social Science Research 324
18.6 Data Cleaning, Organization, and Inference 324
18.6.1 Data Cleaning Tools 325
18.6.2 Data Management Systems 326
18.6.3 Inference and Reporting 326
18.7 Digital Tools for Research Collaboration 327
18.8 Outcome-Based Applications in Social Policy 327
18.8.1 Data Dashboards 328
18.8.2 Real-Time Feedback Tools 329
18.8.3 Impact Studies 329
18.8.4 Case Study: COVID-19 Dashboard 330
18.9 Learning Outcomes 330
18.10 Conclusion 330

19DIGITAL E-LIBRARIES AND OPEN ACCESS KNOWLEDGE PLATFORMS 331

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

19.1 Introduction . . . 331
19.2 Understanding Digital Libraries . . . 331
19.2.1 Definition and Scope . . . 332
19.2.2 Importance in Promoting Equity in Knowledge Access . . . 332
19.2.3 Global vs. National Platforms . . . 333
19.3 Major E-Library Platforms and Resources . . . 334
19.3.1 National Digital Library of India (NDLI) . . . 334
19.3.2 e-ShodhSindhu and INFLIBNET . . . 335
19.3.3 Shodhganga – Indian Thesis Repository . . . 335
19.3.4 International Platforms . . . 336
19.4 Tools for Knowledge Discovery and Management . . . 336
19.4.1 Search Strategies for Literature Review . . . 337
19.4.2 Reference Management Tools . . . 338
19.4.3 Bookmarking and Organizing . . . 338
19.5 Creating and Sharing Knowledge through Digital Platforms . . . 339
19.5.1 Open-Access Repositories and Institutional Archives . . . 339
19.5.2 Publishing on Academic Networks . . . 340
19.5.3 Creative Commons Licensing . . . 340
19.6 AI-Based Tools for Academic Support . . . 341
19.6.1 Plagiarism Checking Tools . . . 341
19.6.2 AI in Presentations . . . 342
19.6.3 Summarization Tools . . . 342
19.7 Inclusive Knowledge Access: Focus on Marginalized Groups . . . 343
19.7.1 Multilingual Platforms . . . 344
19.7.2 Accessibility Features . . . 344
19.7.3 Offline and Mobile Access . . . 344
19.8 Hands-On Practice Session (Computer Lab) . . . 345
19.9 Learning Outcomes . . . 345
19.10 Conclusion . . . 346

20DIGITALISATION IN INDIAN KNOWLEDGE SYSTEMS AND ACADEMIC WRITING 347

20.1 Introduction . . . 347

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

20.2 Understanding Indian Knowledge Systems (IKS) . . . 347
20.2.1 Definition of IKS . . . 348
20.2.2 Domains of IKS . . . 348
20.2.3 Regional Diversity of IKS . . . 349
20.3 Opportunities for Digitising IKS . . . 350
20.3.1 Digital Archives . . . 351
20.3.2 AI for Ancient Texts . . . 351
20.3.3 3D Scanning and Virtual Reality . . . 352
20.3.4 Inclusive Technologies . . . 352
20.3.5 MOOCs and E-Learning . . . 353
20.4 National Platforms Supporting IKS . . . 354
20.4.1 National Digital Library of India (NDLI) . . . 355
20.4.2 Bharat Vidya Portal . . . 355
20.4.3 Sanskrit Heritage Portal . . . 356
20.4.4 Indian Culture Portal . . . 356
20.4.5 Digital Bharatiya Gyan Kosh . . . 357
20.5 Case Study: Andhra University Library—Digitisation of Talapatras . . . 357
20.5.1 What are Talapatras? . . . 358
20.5.2 Digitisation Process . . . 359
20.5.3 Outcomes and Impact . . . 360
20.6 Incorporating IKS in Academic Writing and Research . . . 360
20.6.1 Citing Classical Sources . . . 361
20.6.2 Research Integration Pathways . . . 362
20.6.3 Multilingual Dissemination and Equity . . . 363
20.7 Learning Outcomes and Activities . . . 363
20.7.1 Intended Learning Outcomes . . . 364
20.7.2 Suggested Activities and Assessments . . . 364
20.8 Conclusion . . . 365

21ELEMENTS OF ACADEMIC WRITING IN THE DIGITAL ERA 367
21.1 Introduction: The Digital Turn in Academic Writing . . . 367
21.1.1 The Transformation of Writing Practices . . . 368
21.1.2 Why Digital Academic Writing? . . . 368

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

21.2 Online Digital Knowledge Resources . . . 368
21.2.1 The Importance of Digital Repositories . . . 370
21.2.2 Key Platforms for Academic Research . . . 370
21.2.3 Global vs. Indian Context . . . 371
21.3 Essential Digital Tools for Academic Writing . . . 371
21.3.1 Visual and Graphical Tools . . . 372
21.3.2 AI-Based Academic Support . . . 373
21.4 Academic Writing Practices: Structure, Style, and Ethics . . . 373
21.4.1 The IMRaD Structure . . . 373
21.4.2 Referencing and Citation Styles . . . 374
21.4.3 Visual Storytelling in Academic Writing . . . 374
21.5 Hands-On Training Activities (Lab Component) . . . 375
21.6 Advanced Tips for Academic Writing in the Digital Age . . . 375
21.6.1 Cloud Storage and Collaboration . . . 376
21.6.2 Data Presentation in Reports . . . 376
21.6.3 Publishing Open Access Papers . . . 376
21.7 Ethical Considerations in Digital Academic Writing . . . 377
21.8 Learning Outcomes . . . 377
21.9 Summary Table: Digital Toolkit for Academic Writing . . . 378
21.10 Conclusion . . . 378

22FIELD VISIT AND REFLECTION OF DR. B. R. AMBEDKAR'S VISION OF INDIA THROUGH DIGITAL EMPOWERMENT 379

22.1 Introduction . . . 379
22.1.1 Digital Revolution as a Social Movement . . . 379
22.1.2 Dr. B. R. Ambedkar's Constitutional Vision . . . 380
22.1.3 Learning through Field Visits . . . 381
22.2 Field Visit and Data Collection . . . 383
22.2.1 Objectives of the Field Visit . . . 385
22.2.2 Suggested Field Visit Locations . . . 386
22.2.3 Field Activity 2: Structured Interview Guide . . . 388
22.3 Seminar, Group Activity, and Reflection . . . 390
22.3.1 Group Activity and Roleplay . . . 392

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

22.3.2 Seminar Discussion Topics . . . 393
22.4 Poster and Reflection Presentation . . . 394
22.4.1 Output Options . . . 394
22.4.2 Sample Poster Theme Layout . . . 395
22.5 Connecting Fieldwork to Theory: Reflective Writing Template . . . 396
22.5.1 Reflective Prompts . . . 397
22.5.2 Mapping Experience to Ambedkarite Values . . . 397
22.6 Learning Outcomes . . . 399
22.7 From Reflection to Action: The Road Ahead . . . 399
22.8 Conclusion . . . 400

23MAPPING DIGITAL INDIA TO SUSTAINABLE DEVELOPMENT GOALS 403
23.0.1 Digital India: Vision, Pillars, and Rationale . . . 403
23.0.2 The SDG Framework: Scope and Integration . . . 407
23.0.3 Why Map Digital India to the SDGs? . . . 407
23.1 Understanding the SDGs and India's Commitment . . . 408
23.1.1 Overview of the 17 SDGs . . . 409
23.1.2 National Indicator Framework and Policy Alignment . . . 409
23.1.3 Role of NITI Aayog in Coordination and Tracking . . . 410
23.1.4 Interpreting India's SDG Index Performance . . . 410
23.2 Role of Digital Technology in Realising the SDGs . . . 412
23.2.1 Digital India Flagships and SDG Alignment Matrix . . . 412
23.2.2 ICT, AI, and Big Data as Cross-Cutting Enablers . . . 414
23.2.3 Illustrative Case Snapshots . . . 416
23.3 Ambedkar's Vision and Its Alignment with the SDGs . . . 417
23.3.1 Social Justice, Constitutional Morality, and Inclusion . . . 418
23.3.2 Education and Knowledge as Empowerment . . . 418
23.3.3 Designing for the Last Mile . . . 419
23.4 Field Visit: Mapping Local Data to SDG Attainment . . . 419
23.4.1 Objectives . . . 420
23.4.2 Methods and Instruments . . . 421
23.4.3 Data–SDG Mapping Heuristics . . . 421
23.4.4 Gap Analysis and Barriers . . . 422

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

23.4.5 Solution Brainstorming and Prioritisation 422
23.4.6 Group Reports and Peer Review 423
23.5 Learning Outcomes 424
23.6 Conclusion and Policy–Practice Roadmap 426

24DIGITAL INDIA -REALISATION OF DR. B. R. AMBEDKAR'S VISION 427
24.0.1 Early Life and Struggles 427
24.0.2 Educational and Professional Milestones 429
24.0.3 Principal Architect of the Constitution 430
24.1 Key Writings and Their Modern Relevance 430
24.2 Vision of Social Democracy 432
24.2.1 Liberty 432
24.2.2 Equality 433
24.2.3 Fraternity 433
24.2.4 Digital India as the Modern Expression of Social Democracy 433
24.3 Digital India as a Tool for Inclusion 433
24.3.1 Bridging the Digital Divide 434
24.3.2 Empowerment through Digital Literacy 434
24.3.3 Economic Empowerment through Digital Finance 434
24.3.4 Participatory Democracy through e-Governance 434
24.3.5 Integration of Ambedkar's Vision with Digital India 435
24.4 Constitution of India and Digital Empowerment 435
24.4.1 Fundamental Rights and Duties 435
24.4.2 Directive Principles of State Policy 437
24.4.3 Digital India Initiatives and Constitutional Ideals 438
24.4.4 Synthesis: The Constitution and Digital Empowerment 438
24.5 Reflection, Field Visit Report, and Mapping 439
24.5.1 Reflective Discussions 439
24.6 Mapping Digital India Outcomes to Ambedkar's Vision 440
24.6.1 Access to Education: Liberty through e-learning 440
24.6.2 Financial Inclusion: Equality via Jan Dhan and UPI 441
24.6.3 Skill Development: Fraternity through collective upliftment 441
24.6.4 Democratic Participation: Justice through grievance portals and MyGov . 441

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

24.6.5 Group Presentations and Reports 442
24.7 Case Study: One India through Digital India 443
24.7.1 Reducing Caste-Based Discrimination 444
24.7.2 Access to Education and Entrepreneurship 444
24.7.3 Participation in Democracy 445
24.7.4 Examples from Andhra Pradesh 446
24.8 Conclusion 447

25DIGITAL GOVERNANCE THROUGH DIGITAL INDIA – THE WAY FORWARD 449

25.1 Enhanced Scope of Digital Governance 449
25.1.1 Introduction 450
25.1.2 Factors Contributing to the Digital Divide 450
25.1.3 Strategies to Bridge the Digital Divide 452
25.1.4 Challenges and Opportunities 454
25.1.5 Role of Public and Private Sectors in Enhancing Digital Inclusion 456
25.1.6 Algorithmic Bias and AI in Digital Governance 457
25.2 Case Study: Impact Assessment of PMGDISHA 458
25.2.1 Objectives 459
25.2.2 Methodology 460
25.2.3 Impact 460
25.2.4 Challenges 461
25.2.5 Outcomes 462
25.3 Learning Outcomes 463
25.4 Future Pathways for Inclusive and Ethical Digital Governance 463
25.5 Conclusion 464

LIST OF FIGURES

1.1 Timeline of Key Milestones in the Digital India Programme. 3
1.2 Pillars of Digital India Vision. 5
2.1 Dr. B. R. Ambedkar's Belief. 11
2.2 Mapping Ambedkar's vision to Digital India. 13
2.3 Flowchart and district map for literacy outreach. 15
2.4 Graph showing PMGDISHA beneficiaries by caste category. 16
2.5 Growth of SC/ST Women Using Digital Platforms(2016–2023). 17
2.6 Heatmap of digital divide across districts. 18
2.7 Internet Access Growth Among SC/ST Households in India (2015–2023). . . . 18
3.1 Common Services Centre (CSC) in a Rural Village Setting. 22
3.2 How a CSC operates from service request to delivery. 24
3.3 Infographic Depicting Public Wi-Fi Use in Schools for E-Learning Access. . . 25
3.4 Matrix of e-Governance Services Delivered at CSCs. 26
3.5 Top 10 Services Availed via CSCs (2024 Estimate). 27
3.6 Growth in DBT Transactions Through CSCs. 28
3.7 Bar Chart: Increase in Rural Student Access to E-Learning via Public Wi-Fi. . . 29
3.8 Infographic Showing the Expansion of PM-WANI Public Wi-Fi Network Across India. 30
3.9 Monthly CSC Service Volumes (in Rs. Crore). 31
4.1 Major Elements of Digital Infrastructure 35
4.2 Digital Infrastructure 37
4.3 Overview of Key Government Digital Platforms and Services under Digital India 38
4.4 Digital Health and Telemedicine Services under Digital India 42
4.5 Role of Emerging Technologies in Public Service Delivery 45
5.1 Timeline of Dr. B.R. Ambedkar's Educational and Social Reform Milestones . 47
5.2 Venn Diagram Depicting Dimensions of Social Inclusion 49
5.3 Comparative Infographic of Multi-Dimensional Barriers to Social Inclusion . . 51
5.4 Role of Digital Technology in Social Inclusion 54

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

5.5 Distribution of CSCs and PMGDISHA Centers in High SC/ST Population Districts . . . 55
5.6 SC/ST Women Engaged in Digital Platforms . . . 56
5.7 Digital Dashboard for Policy Monitoring and Inclusion Metrics . . . 57
6.1 Female CSC Operator Assisting Elderly Villagers in Paderu . . . 61
7.1 Digital India Platform Ecosystem Infographic . . . 71
7.2 WhatsApp Governance Services . . . 72
7.3 Comparing Offline vs Online Access to Key Services . . . 74
7.4 e-Kranti Mission Pyramid with User Groups . . . 75
7.5 JAM Trinity Venn Diagram and Mobile Seva Van . . . 77
7.6 Policy Intervention Matrix . . . 78
8.1 Conceptual Diagram – Digital Governance Skill Pyramid . . . 81
8.2 Workflow Chart – Hands-On Training Flow . . . 83
8.3 Screenshot Series – Uploading a Document on DigiLocker . . . 84
8.4 Mobile UI Snapshots – Navigating UMANG Services . . . 85
8.5 Simulation – UPI Transaction Between Two Users . . . 86
8.6 Flow Diagram – Patient Journey in e-Hospital Portal . . . 88
8.7 Role Play Scene – Student Assisting Villager with CSC Services . . . 89
8.8 Map-Jan Aushadhi Kendra Locator Interface . . . 90
9.1 Timeline of Financial Inclusion in India . . . 98
9.2 The JAM Trinity Framework . . . 101
9.3 Gender-wise Account Holders in PMJDY . . . 102
9.4 Village-Level Kiosk Banking Model . . . 103
9.5 AePS Biometric Transaction Flowchart . . . 104
9.6 Poster from Mock Campaign: “Cash nahi, QR sahi!” . . . 105
10.1 E-Governance for Inclusion: Conceptual Framework . . . 112
10.2 DigiLocker Workflow for Health and Education Records . . . 113
10.3 e-Hospital Services Overview . . . 115
10.4 Ayushman Bharat Digital Mission (ABDM) Ecosystem . . . 118
10.5 SWAYAM and DIKSHA Access Model . . . 122
10.6 Uddanam Digital Health Intervention Model . . . 126
11.1 BharatNet Project Coverage Map . . . 143

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

11.2 Digital Skill Development Pathway 144
11.3 Aadhaar-Enabled Services Workflow 146
11.4 UMANG App Service Categories 150
11.5 MSME Digital Enablers Ecosystem 157
11.6 Village Digital Empowerment Centre Model 178
12.1 Digital Literacy Training Session with Women in Rural Areas 182
12.2 Women Learning Digital Banking on a Smartphone 185
12.3 Women Accessing Digital Services at a Common Service Centre 187
12.4 Girls Participating in an Online STEM Course via SWAYAM 190
12.5 Women Using WhatsApp Business to Promote Local Products 193
12.6 A Group of Women Using the UMANG App to Access Government Services . 195
13.1 Digital Inclusion Framework 198
13.2 Mahila E-Haat Platform Interface 199
13.3 Accessibility Mapping for Websites 202
13.4 UDID Portal Application Process 204
13.5 Economic Empowerment Through Digital Platforms 206
13.6 Roadmap for Enhancing Digital Inclusion 211
14.1 Mapping the Digital Divide 225
14.2 AI-Powered Chatbot for Citizen Services 234
14.3 Predictive Analytics for Resource Allocation 235
14.4 AI in Public Grievance Redressal 236
14.5 Disaster Management with AI 237
15.1 Open Access Knowledge Ecosystem 242
15.2 Digital Content Accessibility Features 245
15.3 Educational Content Creation Platforms 247
15.4 Video Recording Setup for Educators 254
15.5 AI-Driven Presentation Workflow 258
15.6 Inclusive Knowledge Dissemination Model 261
16.1 Major Categories of Cybercrime 267
16.2 Growth of Cybercrime Cases in India (2020–2025) 271
16.3 Cyber Hygiene Best Practices 273
16.4 Indian Cybercrime Response Framework 274

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

16.5 Process Flow for Filing a Cybercrime Complaint . . . 275
16.6 Opportunities vs. Threats of Digitalisation . . . 281
17.1 Digital India Vision 2047 – Integrated National Ecosystem . . . 286
17.2 Next-Gen DBT 2.0 Workflow . . . 287
17.3 Smart Irrigation and Drone-Based Environmental Monitoring . . . 291
17.4 Digital Platforms Enhancing Accountability . . . 295
17.5 Unified National Digital Infrastructure Map . . . 301
17.6 Vision 2047 – Path to Digital Empowerment for All . . . 308
18.1 Transition from Traditional to Digital Research . . . 312
18.2 Digital Qualitative and Quantitative Tools . . . 316
18.3 Workflow of Data Cleaning, Organization, and Inference . . . 325
18.4 Policy Dashboard Example . . . 328
19.1 Comparison of Global vs. National Digital Library Platforms . . . 333
19.2 Ecosystem of Major E-Library Platforms in India . . . 334
19.3 Workflow of Research Discovery and Management Tools . . . 337
19.4 Inclusive Knowledge Access Model . . . 343
20.1 Map of India Highlighting Regional Contributions to IKS . . . 348
20.2 National Platforms Supporting IKS (Infographic of Portals) . . . 354
20.3 Workflow of Digitisation of Manuscripts (Talapatras) . . . 358
20.4 Integration of IKS with Modern Research Pathways . . . 361
21.1 Workflow of Digital Academic Writing . . . 367
21.2 Digital Knowledge Resources: Indian vs Global Platforms . . . 369
21.3 Essential Digital Tools for Academic Writing . . . 372
21.4 Example of a Visual Abstract for Research Communication . . . 375
22.1 Digital Empowerment in Action . . . 384
22.2 Structured Interview Flow . . . 389
22.3 Group Activity Outputs (Roleplay and Seminar) . . . 391
22.4 Linking Digital Practices with Ambedkarite Ideology . . . 396
23.1 Digital India Pillars and Vision Framework . . . 404
23.2 The 17 Sustainable Development Goals (SDGs) . . . 408
23.3 State-wise Performance on SDG India Index 2023–24 . . . 411
23.4 Digital India Initiatives Mapped to SDGs . . . 413

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

23.5 Field Data Mapping Process to SDGs 420
24.1 Dr. B. R. Ambedkar's Vision and Digital India's Role 428
24.2 Constitutional Provisions and Digital Initiatives-A Mapping Framework 436
24.3 Field Visit Reflections-Digital Empowerment in Rural Communities 440
24.4 Digital Inclusion Pathways in Andhra Pradesh 446
25.1 Dimensions of the Digital Divide in India 451
25.2 Strategies to Bridge the Digital Divide-A Multi-Pronged Framework 453
25.3 Challenges vs Opportunities in Digital Governance 455
25.4 Public–Private Partnership Ecosystem in Digital Inclusion 456
25.5 Impact of PMGDISHA on Rural Communities 459

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)

LIST OF TABLES

1.1 Timeline of Key Milestones in the Digital India Programme 2
1.2 Key Components of Digital India's Objectives 4
6.1 Impact of CSC Implementation in Paderu Mandal 61
7.1 Recommendations to Improve Public Internet Access 78
10.1 Summary of Key Digital Platforms for Health and Education Inclusion 137
11.1 BharatNet: Feature Summary 143
11.2 NDLM and PMGDISHA: Comparative Snapshot 152
11.3 Key MSME Digital Enablers 159
13.1 Overview of Key Initiatives 214
18.1 Qualitative Research Tools and Their Features 317
18.2 Quantitative Research Tools and Their Features 318
18.3 Sampling Methods and Their Descriptions 321
18.4 Digital Research Collaboration Platforms and Their Purposes 327
19.1 Comparison of Global and National Digital Library Platforms 333
20.1 Key Domains and Exemplars within Indian Knowledge Systems 349
21.3 Summary Table: Digital Toolkit for Academic Writing 378
22.1 Suggested Field Visit Locations and Key Observations 387
22.2 Demographics and Digital Literacy Snapshot 390
22.3 Group Task Menu and Expected Outputs 392
22.4 Poster Sections and Focus 396
22.5 Mapping Field Observations to Ambedkarite Values 398
23.1 Alignment of Digital India Flagships with SDGs 414
23.2 Field Mapping Template: Indicator, SDG Link, Data Source, and Notes 424
24.1 Constitutional Provisions and Digital Initiatives 438

ISBN: 978-81-973305-1-3 (Print); 978-81-973305-5-1 (Online)
